

GREEN FLEET SAILING INSTRUCTIONS

These sailing instructions generally conform to the Canadian Optimist Dinghy Association and Sail Nova Scotia standards for Green Fleet racing. They are more suitable for use by race committees and coaches in support of the Green Fleet than as direct reading by younger Green Fleet competitors.

1 RULES

- 1.1 The regatta will be governed by the rules as defined in *The Racing Rules of Sailing*.
- 1.2 Racing Rule 40 is changed to apply at all times while afloat without the display of code flag Y. This modifies the preamble to Part 4.
- 1.3 The last sentence of Rule 90.2(c) is deleted and replaced by: "Oral changes may be given afloat or ashore, either at a pre-race briefing ('Skippers' meeting') or post-race de-brief."
- 1.4 Since Green Fleet races are not scored:
 - 1.4.1 redress is not available to competitors under Rule 62.1(a) for an improper action or omission of the Organizing Authority or the Race Committee; and,
 - 1.4.2 Rule 64.1 is changed so that the protest committee is not required to impose a penalty when they find that a party to a protest hearing has broken a rule and is not exonerated.

2 NOTICES TO COMPETITORS

- 2.1 Notices to competitors will be posted on the official notice board located on the water side of the SMSC Sailing Center.
- 2.2 The Race Committee may give oral instructions, including amendments to sailing instructions, to Green Fleet competitors, including changes to sailing instructors, by communicating directly with individual competitors or communicating indirectly through designated Green Fleet coaches.
- 2.3 The race Committee will signal that oral instructions are available by displaying Code Flag 'L' with one sound signal.
- 2.4 The Race Committee may display a summary of oral instructions afloat by means of a whiteboard.
- 2.5 A record of oral instructions that change sailing instructions will be posted on the official notice board at the end of a day's sailing, if further sailing is scheduled the next day.

3 SIGNALS MADE ASHORE

- 3.1 Signals made ashore will be displayed from the flagpole located on the water side of the SMSC Main Clubhouse.
- 3.2 If a postponement is signaled ashore, the warning signal will be made not less than 30 minutes after flag AP is lowered.

The results of the hearing will be given orally. Written decisions will not be prepared unless requested.
- 8.2 As an alternative to a formal protest hearing, at the request of a competitor or coach a member of the protest committee may hold an informal debrief with the competitors and their coaches.

- 10.2 Spectator and support boats not coaching should not enter the race course during racing.
- 10.3 Support boats are requested to monitor the Race Committee working channel. It is recognized that coaches are essential to the safety plan of the regatta and they are required to assist in providing safety cover to competitors on the water. The Race Committee working channels will be:

Course	Channel
