Laundry charge of \$100 if linens are used for rental Cleaning charge of \$150 following rental events Cost of Liquor license for private events * 'Off season' periods are 2 January - 31 May and 4 September – 29 December December 30-1 January is blacked out for member events		

We have no back to back weddings scheduled on the same weekend.

St Margaret Sailing Club has no wedding planner services or business event coordinator available thus all arrangements are facilitated by the client.

Any reduction in wedding rates for full-members or social members requires that the wedding be for an immediate family member only. For example, the discount would not apply to nieces or nephews who are interested in getting married.

Wedding package includes:

Event space until midnight, extension to 1 am at an additional charge

Dinner and buffet tables and chairs, head table and cake table.

Table coverings

PA system, podium and microphone

Place settings including: cutlery, plates, glassware – water, wine glass, coffee mug, chafers and serving utensils

Complimentary overnight parking

Non-refundable rental fee – if there is an act of god or nature St Margaret Sailing Club will discuss the possible rebooking of the event. The clubhouse is located in rural Nova Scotia and as such if weather impacts the club and electricity is lost there is no back up generator and thus no power or water is available.
